14. THE ROLE OF THE UNITÉ PERMANENTE ANTICORRUPTION (UPAC)	12
15. ABOLITION OF THE RESTRICTED LICENCE REGIME UNDER THE BUILDING ACT	13
16. CONCLUSION	13

Les contrats publics au Québec : une question d'intégrité — La nouvelle Loi sur l'intégrité en matière de contrats publics

1. PRÉAMBULE	15
2. INTRODUCTION	15
3. MISE EN CONTEXTE	16
4. QUI EST L'AMF?	17
5. LES ENTREPRISES VISÉES	18
6. LE MOMENT REQUIS POUR DÉTENIR SON AUTORISATION	19
7. LES ORGANISMES PUBLICS VISÉS	19
8. LES CONTRATS VISÉS PAR LA LOI SUR L'INTÉGRITÉ	19

9.	LE PROCESSUS DE DÉLIVRANCE DES AUTORISATIONS	20
10.	LE PROCESSUS DÉCISIONNEL DE L'AMF	21
10.1	Le refus automatique	21
10.2	Le refus discrétionnaire	23
10.3	Le droit de présenter des observations	25
11.	LE RETRAIT D'UNE AUTORISATION LORSQU'UN CONTRAT EST EN COURS D'EXÉCUTION	25
12.	LES PÉNALITÉS EN CAS D'INFRACTIONS À LA LOI SUR L'INTÉGRITÉ	25
13.	LE REGISTRE DES ENTREPRISES NON ADMISSIBLES AUX CONTRATS PUBLICS	27
14.	LE RÔLE DE L'UNITÉ PERMANENTE ANTICORRUPTION (UPAC)	27
15.	L'ABOLITION DU RÉGIME DE LA LICENCE RESTREINTE PRÉVUE À LA LOI SUR LE BÂTIMENT	28
16.	CONCLUSION	28

A Bought Magistrate: The Conundrum of the Consultant

Editor's Note	29
1. INTRODUCTION	30
2. THE CONSULTANT'S CONUNDRUM IN CANADA	33
3. THE CANADIAN RESPONSE	39
4. AN AMERICAN RESPONSE	40
5. AN INTERNATIONAL RESPONSE	41
6. THE UNRESOLVED CONUNDRUM	42
7. CAN THE CONUNDRUM BE RESOLVED?	43
8. CONCLUSION	46

Green Tsunami — Sustainable Construction

Editor's Note	47
1. INTRODUCTION	47
2. OVERVIEW OF LEED CANADA	48
3. GREEN BUILDING LITIGATION	50
3.1 U.S. Green Building Litigation	51
3.2 Canadian Green Litigation	56
4. ISSUES RELATING TO LEED CERTIFICATION	58
5. ISSUES FOR DESIGN PROFESSIONALS	58
6. ISSUES FOR CONTRACTORS	60
7. CONCLUSION	61

Termination American Style: Handling the Acutely Troubled Construction Project

Editor's Note	63
1. INTRODUCTION	64
2. ANTICIPATORY REPUDIATION: AN OVERVIEW	65
2.1 What Constitutes an Anticipatory Repudiation?	66
2.1.1 Overt Repudiation	67
2.1.2 Implicit Repudiation	69
2.1.3 Repudiation Arising from Difference in Contract Interpretation	70
2.1.4 Conclusion	72
2.2 Demanding Adequate Assurance of Performance	73
2.2.1 Demand for Adequate Assurance of Performance	73
2.2.2 Response	74
2.3 Retraction of Repudiation	75
2.4 Remedies	75
2.4.1 Suspension of Performance	76
2.4.2 Termination	76
2.4.3 Claim for Breach	76
2.4.4 Nonbreaching Party's Obligation to Mitigate	77
2.5 Related Issues	77
2.5.1 Effect of Notice and Demand for Cure Clause	77
2.5.2 Clause Requiring Performance Pending Dispute Resolution	79
2.5.3 Waiver	80
2.5.4 Statute of Limitations	81
2.6 Summary of Anticipatory Repudiation	82
3. TERMINATION — AN OVERVIEW	82
3.1 Basic Legal Principles	83
3.1.1 Sufficiency of Grounds for Termination	83
3.1.2 Cumulative Effects of Several Breaches	85
3.1.3 Cardinal Change	85
3.1.4 Insecurity and Anticipatory Repudiation	86
3.1.5 Waiver and Estoppel	86
3.2 The Economic Consequences of Termination Decisions	88
3.2.1 Owner's Damages — Termination Justified	88
3.2.2 Owner's Liability — Termination Improper	89
3.2.3 Contractor's Damages — Termination Justified	90
3.2.4 Contractor's Liability — Termination Improper	91
3.2.5 Attorneys' Fees	92
3.2.6 Alternative — Performing in the Face of Breach and Reserving Rights to Claim Damages	92
3.3 Modeling the Economics of Termination	92
3.3.1 Probability of Success on a Claim for Material Breach	93
3.3.2 Value of Success	93
3.3.3 Probability of Loss	94

3.3.4	Cost of Loss	94
3.3.5	Value of Moving Forward	94
3.3.6	Attorneys' Fees	95
3.3.7	Finalizing the Economic Model	96
3.3.8	Limitations on Use of the Economic Model	98
3.4	Investigating the Model's Assumptions	98
3.4.1	Economic Balancing is the Key to Any Termination Decision, as the Only Factors Are Quantifiable Economic Factors	99
3.4.2	Liability Estimates Are Reasonably Certain	99
3.4.3	Prospective Damage Figures Are Reasonably Certain	100
3.4.4	The Owner and Contractor Have an Infinite Amount of Money to Pay a Judgment	100
3.4.5	The Contractor Can Finance the Remainder of Construction	100
3.4.6	The Contractor Cannot Otherwise Employ its Crew	101
3.4.7	Not Everyone Has the Same Level of Risk Aversion	101
3.4.8	The Surety's Assumption of the Contract Will Mitigate the Owner's Risk	102
3.4.9	A Completion Contractor Will Be Easy to Find	102
3.5	Contractor-Subcontractor Terminations	102
3.5.1	Alternative to Terminations	102
3.5.2	Contractor's Termination of Subcontractors Necessitated by Termination of General Contracts	103
4.	CONCLUSION	103

The Law of Estimates and Quantum Meruit in Canadian Small-Scale Building Contracts

Editor's Note	105
1. INTRODUCTION	106
2. THE HISTORICAL DEVELOPMENT OF THE LAW OF ESTIMATES AND QUANTUM MERUIT	108
2.1 Business Realities in Building Contracts	108
2.2 The Action for Quantum Meruit	110
2.3 Quantum Meruit and the Unjust Enrichment Principle	112
3. CURRENT PRACTICES IN THE CONSTRUCTION INDUSTRY AS THEY RELATE TO THE USE OF CONTRACTS AND CLAIMS FOR QUANTUM MERUIT	116
3.1 Contractual Variations and Risk Allocation	116
3.1.1 Fixed Price / Lump Sum Contracts	116
3.1.2 Unit Price Contracts	116
3.1.3 Cost-Plus Contracts	117
3.2 The Definition and Nature of "Extras" in a Building Contract	117
3.3 The General Law of Estimates	120

4.	RECENT CANADIAN JUDICIAL DECISIONS THAT PERTAIN TO THE ROLE OF ESTIMATES IN BUILDING CONTRACTS	123
4.1	Pre-2006 Jurisprudence	123
4.2	Post-2006 Jurisprudence	125
4.3	Estimates and the Claim in Quantum Meruit	126
5.	THE NEED FOR A NEW BRIGHT LINE RULE	128
6.	CONCLUSION	131

Ontario's Construction Lien Act: Examining Preservation and Perfection Deadlines in Geographical, Inter-Jurisdictional, and Commercial Contexts-The Case for Extended Deadlines

	Editor's Note	133
1.	INTRODUCTION AND ABSTRACT	134
1.1	Preliminary Note: How Legislation in Various Jurisdictions Will Be Used and Cited	135
2.	BACKGROUND INFORMATION	135
2.1	The Construction Lien: A Working Definition	136
2.2	Enforcing the Lien: Procedural Hurdles	136
2.3	Time Limits for Enforcing a Construction Lien: The Concepts of Preservation and Perfection	136
2.3.1	Preservation	137
2.3.2	Perfection	138
2.4	A Summary of the Process: Lien Arises; Preservation; Perfection	138
3.	THE ISSUE: ONTARIO'S PRESERVATION AND PERFECTION TIME LIMITS	139
4.	THE CURRENT STATE OF AFFAIRS: CONSTRUCTION LIEN TIMING IN ONTARIO AND NORTH AMERICA	139
4.1	The Raw Data: Preservation and Perfection Periods in Canada and the United States	139
4.2	Observations on the Data: Trends in Preservation and Perfection Time Limits in North America	155
4.2.1	The Preservation Time Period Across North America	156
4.2.2	The Perfection Time Period Across North America	158
4.2.3	The Maximum Time Period for Preservation and Perfection Across North America	159
4.2.4	A Note on the Spatial Autocorrelation of Lien Deadlines in North America	160
4.2.5	Localized Trends: Ontario and its Neighbours	161
4.3	Interim Conclusions: What Does the Data Tell Us? Ontario's Deadlines in Context	162

5.	ONTARIO'S CONSTRUCTION LIEN DEADLINES IN THE COMMERCIAL CONTEXT	163
5.1	Lien Deadlines, Standard Payment Periods, and "Pay-When-Paid" Clauses	163
5.2	Lien Deadlines and Professional Relationships	164
6.	CONCLUSIONS: RECOMMENDING INCREASED PRESERVATION AND PERFECTION TIME PERIODS	165
	Appendix 1 — List of Provincial and Territorial Construction Lien Statutes	166
